

We're now an approved CAL FIRE supplier for Nomex® IIIA uniforms

Starting June 1st, 2007, firefighters with the *California Department of Forestry & Fire Protection* can wear Workrite® station wear garments of Nomex IIIA.

Workrite apparel ensures a sharp look and relaxed comfort, with features that make life on the job easier. Our garments are cut with more generous sizing. They provide a just-pressed appearance due to our Perfect Press™ autoclaving process. And all garments are certified to NFPA 1975 station uniform standard.

Stay sharp. Choose Workrite.

Approved Shirt Styles:

700NMX45 – Men's Fire Chief Shirt, S/S
705NMX45 – Men's Fire Chief Shirt, L/S
701NMX45 – Women's Fire Chief Shirt, S/S
706NMX45 – Women's Fire Chief Shirt, L/S

Our shirts include extra-long tails, five sewn-in military creases, hidden snaps, badge tab, hook-and-loop pocket closures and decorative Melamine buttons. Our long-sleeve shirts feature concealed snap wrist closures.

Approved Pant Styles:

400NMX75 – Men's Firefighter Pant
402NMX75 – Men's Firefighter Pant, Full Cut
401NMX75 – Women's Firefighter Pant

Workrite firefighter pants are tastefully styled with features that include front slash inset pockets, rear welt pockets, triple feld-lock side and seat seams and a fully finished waistband.

All pants and shirts are available in
Midnight Navy
